

Regatta Information and Preliminary Schedule

53rd Consecutive

BULLSEYE NATIONAL CHAMPIONSHIP

July 18-20, 2014

Sailors,

Below is a preliminary schedule to provide a sense of the shape of the Nationals weekend we are planning at Fishers Island YC. Note if you find any discrepancies between the Notice of Race and this schedule, the NOR applies (and please alert us!)

We're delighted to arrange housing for visiting sailors. Please give us clear indications on your entry form and our housing chair, Isabelle Farrar, will be glad to work with you to find a comfortable arrangement with club members on the island.

You're welcome to leave your vehicle on the mainland; local sailors, hosts, and other club members will provide transportation as necessary. If you prefer to bring a car to the island, the ferry sails out of New London. Visit <https://www.fiferry.com> for schedules, rates, online reservation and ticket purchase.

Your entry fee (and additional social fees for third crewmember and any non-sailing team members) covers Friday/Saturday cocktails and dinner, Sunday Awards Lunch, and Saturday/Sunday bagels/coffee. Once your registration has been submitted, we'll send you information on ordering box lunches for Saturday at your option.

We have a very limited number of boats that may be available for charter. Please let us know early if you are interested.

Finally, we've compiled a list of island services for your reference. Note that hours of operation are subject to change, and we may update the list accordingly on the Bullseye Class website.

Please consider joining us to sail in the 53rd Nationals in July.
